

60 driver volunteers for Ambulance Wish Foundation project

This week, US Chesed held a volunteer evening for its new project with the Ambulance Wish Foundation, a charity providing last wishes for those with life limiting or terminal illnesses. The team had appealed for ambulance drivers to help assist the persons wishes being carried out, which in the past have included attending family weddings and other special events.

We are proud to say that 60 people have signed up to be drivers to assist this special and unique mitzvah and would like to thank all those who have registered.

We are now appealing for more volunteers to assist our drivers e.g as escorts, vehicle equipment technicians or administration assistants. If you are interested in volunteering or would like more information, please contact Michelle Minsky at mminsky@theus.org.uk [1]
