

Barnet Synagogue, Wolfson Hillel Primary School and US Chessed cook for Borehamwood

Families from Wolfson Hillel Primary School and other local communities came to Barnet Synagogue to cook for the needy in the Borehamwood community. They cooked a large volume of vegetarian lasagnes and 40 apple crumbles for families in Borehamwood. It was a lot of fun, with many children involved in doing this important act of kindness (Chessed), which was supported by the US Chessed department.

Rebbetzen Deborah Garson said in gratitude, “We can’t thank you all enough for your generosity and kindness- may your community be blessed with good things.”

If you or your community are interested in similar volunteering opportunities, please contact US Chessed.
