

## Fun-filled Purim for the whole community in Barnet

A fun filled Purim for the whole community in Barnet Shul started with slime making, Lego building, face painting, glitter tattoos, and interactive story telling with Lulu for ages 0 - 11 and of course yummy Hamantaschen, all organised by Naomi Rosenhead.

Robert Brayam then leined the Megillah with a variety of funny voices and at the appropriate time much booing and jeering from members. After the Megillah the youth were entertained to an evening organised by Adam Lang of magic by the amazing Joshua Hennes, food and casino games. At the same time the adults were entertained with food and a fantastic fun film themed quiz - Barnet at the Shmoscars - presented by Mark Creeger.

Barnet rocks! Happy Purim everyone!
