

## Seeking Final Wishes for the Chesed and Ambulance Wish Foundation Project

Our US Chesed volunteers are just finishing training with the Ambulance Wish Foundation and are ready to support people with their last wishes. The service is open to a wide variety of people: if you know someone who is non-mobile, terminally ill or elderly who'd like to fulfil a final wish, or perhaps this applies to you, please get in touch.

Wishes can be referred by recipients themselves, medical professionals or family members. Wishes could include visiting a family member, attending a family Simcha celebration, going to the seaside or whatever the individual wishes.

We believe that where there's a wish, there's a way.

**To discuss a wish or for more information email [wishambulance@theus.org.uk](mailto:wishambulance@theus.org.uk) [1] and to submit your wish go to [www.ambulancewishfoundation.org.uk](http://www.ambulancewishfoundation.org.uk) [2]**
