

ShabbatUK at South Hampstead US

South Hampstead celebrated a fantastic seudat shlishit for 175 members of the community, starring the singer Slomie Gertner, followed by an extraordinary candlelit musical havdala and a pulsating Motzei Shabbat concert.

There was a separate seudat shlishit for the children of the community and havdalah themed arts and crafts during the concert. On Friday night members across the entire community were connected with hosts for Shabbat dinner.
